

T&C - INFLUENCER CONTENT

☐

1. Product Presentation

Please ensure the garments are presented neatly (ironed and in good condition), and that the correct size is worn to reflect the intended fit.

☐

2. Styling & Grooming

Please keep the styling simple and minimal as per the brand's vibe, with neat and presentable hair and makeup.

☐

3. Shoot Setup

Kindly ensure the content is shot in a well-lit environment with a clean, uncluttered background. Natural lighting is preferred, and a stable camera setup (tripod recommended) will help maintain smooth footage.

☐

4. Framing & Visual Quality

Please aim for a mix of full-body, mid, and close-up shots to highlight the product, while keeping the visuals clean, high-quality, and true to the brand's aesthetic.

☐

5. Audio Quality

Please ensure the audio is clean and free from distractions, and that any voiceover is clear and easy to follow.

☐

6. Content Integrity

Please keep the messaging aligned with the brief, and feel free to add your personal touch within that direction. Creators must not make any false, misleading, or unverified claims about the product.

☐

7. Brand Alignment

Please keep the content in line with the brand's tone and values, while ensuring it feels inclusive and appropriate for a wider audience.

☐

8. Final Output

Kindly ensure the content adheres to the agreed format and the shared brief.

Please note the following guidelines for all collaborations:

Payments will **be processed** only after the content has been posted in **accordance** with our agreed posting schedule and cycle.

Any content shared without prior approval or not **following** the agreed format and guidelines will not be **considered** eligible for payment.
